

Each month Herbs & things will present 3 different EVENTS posted on www.herbsandthings.com:

1) WORKSHOP: The Art & Science of Aromatherapy

This workshop will cover essential oil and product information and usage. Topics will vary from month to month and will focus on radiant health-physical mental, emotional. This workshop will generally be held on the last Sunday of the month; from 2:00-4:00 pm; Q & A 4:00-4:30.

2) CLASS: Living Everyday With Essential Oils

This introductory class based on the Everyday Oils Collection is specifically designed for, but not limited to, new members. This workshop will generally be held at 7:00 PM on the first Thursday following the date of the above-mentioned workshop.

3) MEETING: Business & Leadership

This meeting will be for members who want to learn more about the Young Living business; for example how to navigate the web, how to place orders, how to enroll new members... It will also be for those who want to learn how to get their product for free or for those who want to generate a steady stream of income. This meeting will be held at 1:00 P.M. on the first Saturday following the date of the above-mentioned class.
